CHIME THROUGH THE YEARS

“SLEEPLESS NIGHTS” BY CHARLOTTE POUCH AND FABIENNE

CHIME FOR CHANGE Through the Years: The Female Fabric is a series curated by CHIME Managing Editor Mariane Pearl featuring stories from the CHIME journalism platform archives by women around the world.

14 female journalists participated in CHIME FOR CHANGE’s second Women Bylines workshop in Paris. Co-hosted by Gucci and the Kering Foundation with support from Hearst Magazines, the five-day workshop provided writers, filmmakers and photographers with intense journalism training and professional mentoring to support the production of underreported stories affecting women.

For the last four years Charlotte has followed the story of her friend, a victim of domestic violence, to try and explain why it is so difficult for victims to escape it.
