CHIME THROUGH THE YEARS

## **“SAY YES AND DO NO” BY HANANE GUENDIL**

*CHIME FOR CHANGE Through the Years: The Female Fabric is a series curated by CHIME Managing Editor Mariane Pearl featuring stories from the CHIME journalism platform archives by women around the world.*

*14 female journalists participated in CHIME FOR CHANGE's second Women Bylines workshop in Paris. Co-hosted by Gucci and the Kering Foundation with support from Hearst Magazines, the five-day workshop provided writers, filmmakers and photographers with intense journalism training and professional mentoring to support the production of under-reported stories affecting women.*

Raised in Algeria among women, Hanane believed France was the ultimate country of women's rights until she moved there and found herself at odd with reality and politics.
